About us

Welcome home! The Homeowners Association (HOA) would like to welcome you to The Villages at Godley Station. This family-oriented community is comprised of the Arbor and Copper Villages with nearly 900 homes or families within the community.

Amenities include a 5,000 square-foot clubhouse complete with a meeting/conference room, fitness center, full-service kitchen, and an outdoor patio for cookouts and social events. Also included on the grounds surrounding the clubhouse are a children's playground, basketball courts, tennis courts, dog-park, and a junior Olympic pool with a children's play area.

Our amenities are designed for easy access for members with the use of a mobile key app, providing security for families and prohibiting entry from individuals outside of membership. The community also has lagoons stocked for catch-and-release fishing, pet-friendly areas for casual walks, and ample space for

hiking, biking, or jogging to encourage healthy lifestyles.

The Villages have become the heart and envy of many potential home buyers within Chatham County due to its proximity to major shopping areas, restaurants, churches, banks, schools, and places of work.

Strategically located near I-95 and I-16, you are literally within about 15 minutes from anywhere you want to be in Savannah or Hilton Head, S.C. Additionally, the newly constructed Outlet mall and many restaurants are almost within walking distance from your front door. The outlet mall sits on 228 acres and boasts a 400,000 square foot shopping area with dozens of brand-named stores to create the ultimate shopping experience.

Of course, if you want to relax and have fun in the sun, you're minutes away from Tybee, Hilton Head, and Jekyll Islands. Many area historic monuments are quickly accessible thanks to nearby interstates.

Our quality of living, and community standards have maintained and raised home values through the course of time. It's the HOA's to continue this effort and sustain home values for your families with the use of enforced covenants and policies to maintain uniform and aesthetically pleasing homes and amenities.

The HOA also aims to foster a strong sense of community, pride, and camaraderie among our neighbors while limiting unruly behavior and nuisances that could negatively impact your homes and families. We ask you to join us in our effort and seek ways to become active in the community.

The HOA covenants, rules, and agreement documents have been included in this packet for your review. Additional information can be found on our website: www.godleyhoa.com/ You can also reach our property manager, Sam Gibbs of Sentry Management, by emailing sgibbs@sentrymgt.com or by phone at (912) 330-8937 during normal business hours (Monday through Friday, 9 a.m.-5 p.m.).

2025

BOARD OF DIRECTORS

Board members, from left,
in clockwise order:

Scott Fairchild, President

Kat Scandura, Vice President

Angela Lewis, Secretary

Andy Patel, Treasurer

Debra Geiger, Board Member at Large

Matt Valvano, Board Member at Large

Ram Dhanasekaran, Board Member at Large

About You!

If you don't already have your name, address and contact information on file with the HOA, we ask that you please submit it as soon as possible to ensure you receive timely communications about the community, including upcoming meetings, elections, events, neighborhood updates and more. Please fill out this form and send it back to Sentry, our community management company, either by emailing it or printing it out and dropping it off at their offices or mailing it. You can also just send an email to Sentry containing all the info requested here - no form necessary.

Property address

Homeowner(s) name(s)

Email address(es)

PET & WILDLIFE INFORMATION

In an effort to help you address the problems you may have with neighbors' pets, we would like to inform you:

1. For any dog at large (not on leash), be it ON private or city property, you must call 911. To be off a leash, dogs must be behind a fence that is tall enough to keep them inside the property, or have an "invisible fence" (most of the time, you can tell since the pets have special collars). No tethers are allowed.
2. For smell and cleanup, excessive barking, nuisance, etc., call City Code Enforcement at 912-748-6652.

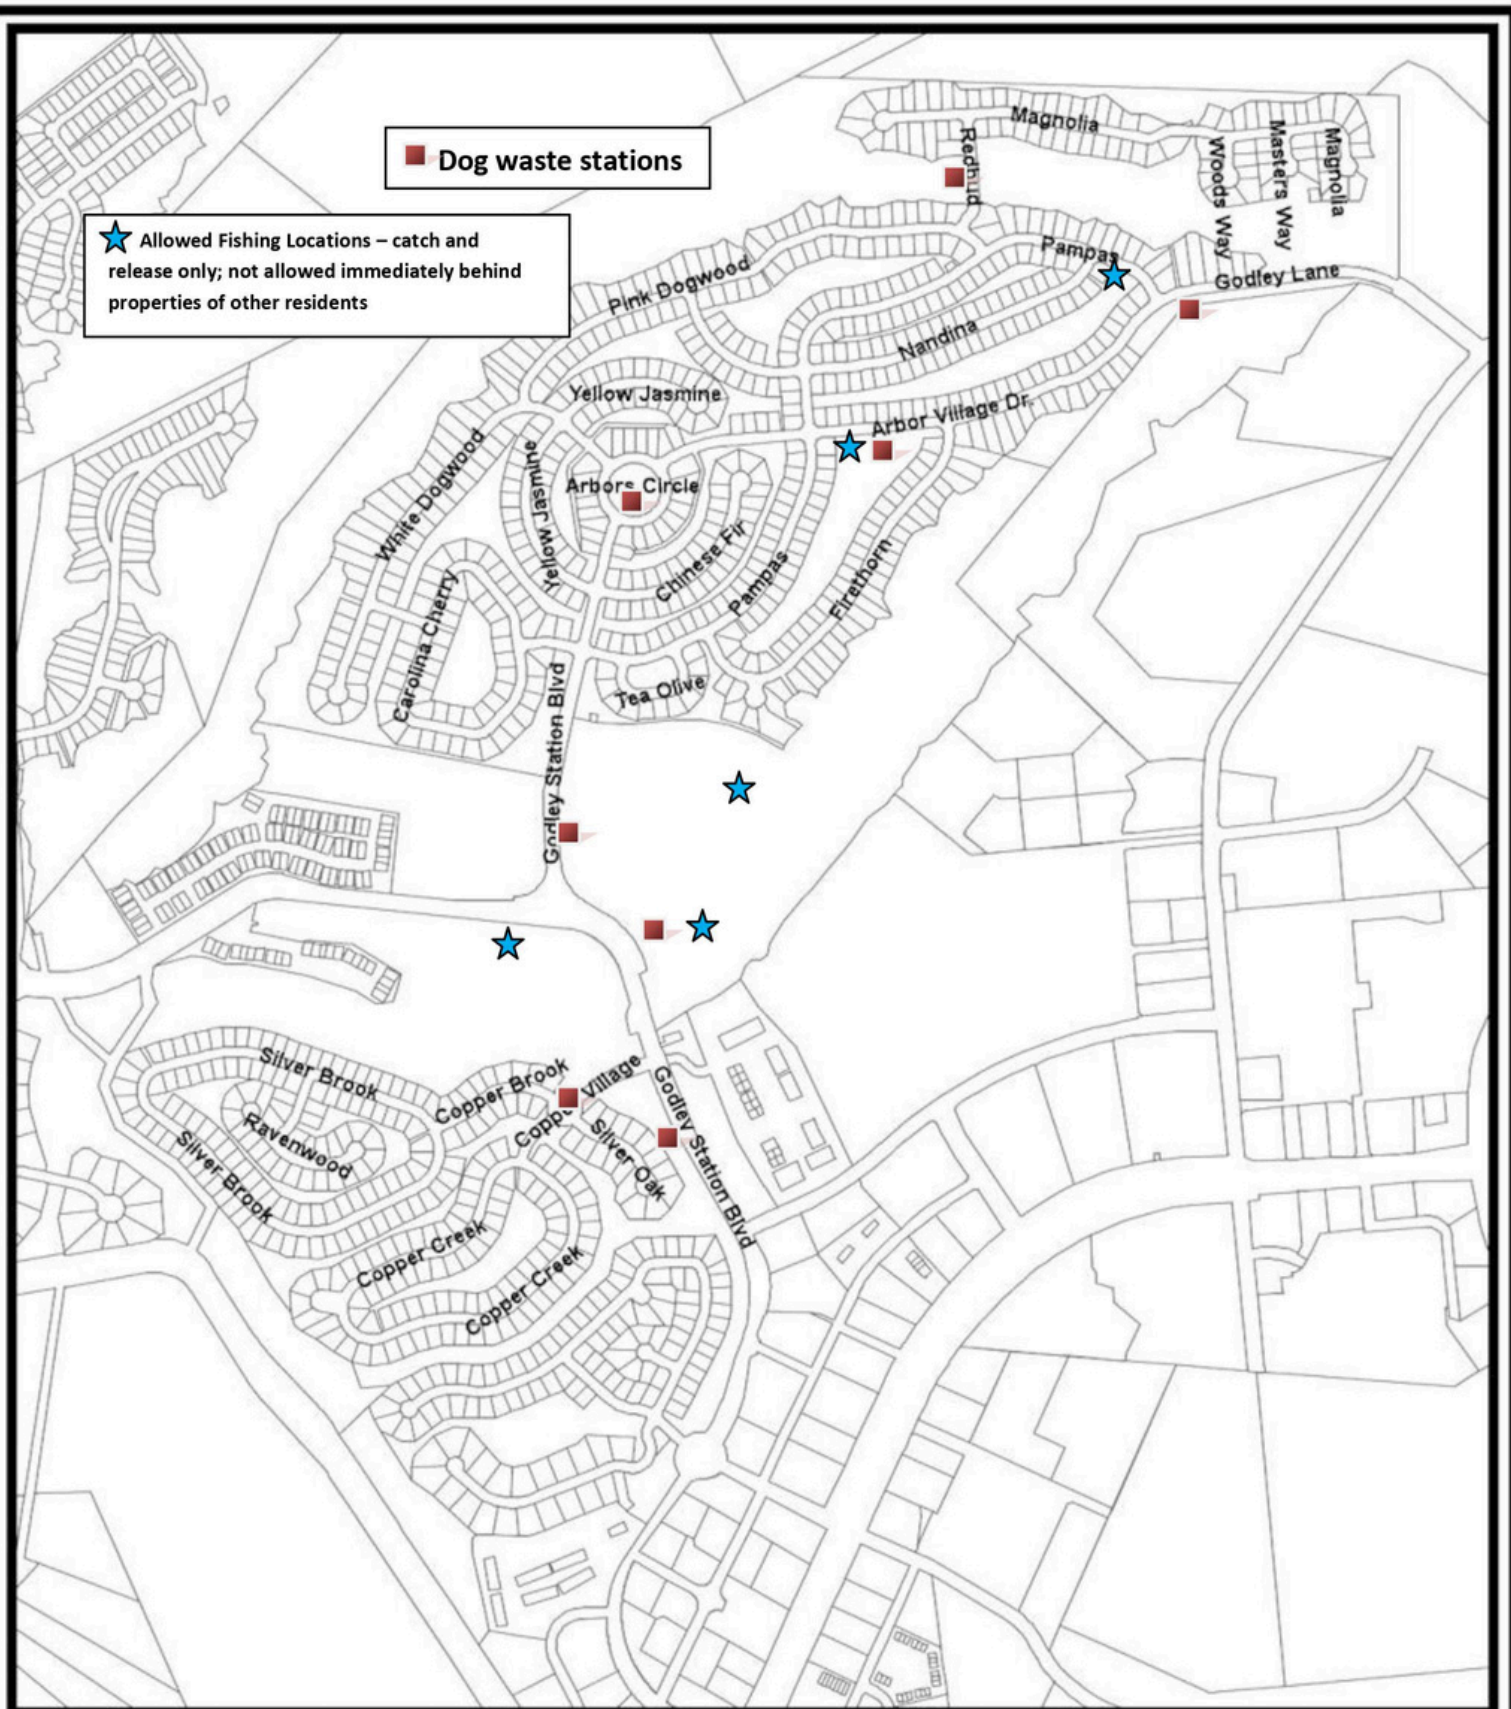

Should an unleashed pet wander into your yard, please document each instance with a picture. Pictures with time and date stamp help us to help you. Send the pictures/video to us the same day by emailing savannah@sentrymgt.com. For reference, the City of Pooler's animal ordinance is at www.pooler-ga.us under Chapter 14 Animals and 22-119, 22-120

Raising, housing or breeding any type of poultry in this community is not allowed. Breeding animals of any type is not allowed.

GEESE: Do NOT feed the geese! They are wildlife and it is not allowed, under any circumstances. If fecal matter is a problem, you might try a product called "Stop the Drop."

SNAKES: are a fact of life in the South. You may try using crushed moth flakes or "Snake Away" around your property. This will have to be reapplied after rain.

FIRE ANTS: Fire ants create mounds, usually after a hard rain. You can purchase ant "killers" to place around the mounds. They don't really kill all the ants; they tend to relocate. This will also need to be reapplied after more rain.
