Facility Cleaning Set for May 4

Team to conduct early-morning pressure washing around clubhouse, patios and surrounding sidewalks

To help keep our amenities looking their best, the HOA has scheduled a professional pressure washing service for the clubhouse, patios, and surrounding sidewalks on Monday, May 4, beginning early in the morning.

The work should be completed before the pool opens for the day. However, if you plan to visit the facility that morning, please park in spaces away from the clubhouse to avoid any potential spray exposure during the cleaning process.

This service is part of our ongoing efforts to maintain the community and ensure everything is fresh and ready ahead of our Community Pool Party on Saturday, May 9. Thank you for your cooperation!

IMPORTANT

Reminders

7 p.m. Thursday, May 21, 2026:
Monthly HOA meeting, held virtually
To join the meeting, click [here](#)

7 p.m. Wednesday, May 20: Events
Committee mtg. at the clubhouse

11 a.m. Saturday, May 9:

Update on Architectural Review Requests

We recognize that some residents have experienced delays with the Architectural Review Committee (ARC) process, and we sincerely apologize for the inconvenience and frustration this may have caused.

The Board is aware of the issue and is actively working with the ARC Committee to streamline the review process and improve turnaround times. Our goal is to ensure all requests are processed in a timely, efficient, and clear manner.

We appreciate your patience and understanding as we work through these improvements and get everything back on track as quickly as possible.
